

NORTHUMBERLAND FEDERATION OF WIs - RESOLUTIONS 2023

Name of WI _____

The shortlisted resolutions for 2023 are given below and also appear in the November edition of WI Life and on MyWI.

The proposed resolutions have been checked by NFWI's solicitors and further briefing materials and resources provided by NFWI are available on the NFWI website and My WI. Now is the time for **each WI member** to choose which resolution they would like to appear on the agenda of the National Annual Meeting in May 2023. If passed at the meeting, the NFWI will have a mandate on which to base a campaign. Campaigns have been an important part of WI over the years and can influence the Government and other outside organisations on subjects such as the environment and women's health and their safety as well as raising awareness amongst members.

It is important that your WI's choices are sent to the Office by **Tuesday 14 February 2023** in order for these to be registered with NFWI, so action at your meetings before then would be appreciated. You may find it helpful to use this form to collect your members' choices at a meeting by asking them to tick the appropriate box and sending it (or an email with the result) to the Office by the deadline. Those members not at the meeting may wish to send the slip from WI Life to the Federation Office direct indicating their choice and the name of their WI. Thank you!
